- Aaron Maitland, PhD, Chief - Survey Planning and Special Surveys Branch, National Center for Health Statistics (National Health Interview Survey [NHIS])

02:00-03:00 PM

Oral Presentation Session #2: Cancer Survivorship

- **Moderator:** Michelle Mollica, PhD, National Cancer Institute
- **Presentation 1:** Jereme Corbin, BA, National Cancer Institute - *Changes in Cancer Care and Perceived Quality of Care Among Cancer Patients During the COVID-19 Pandemic*
- **Presentation 2:** Whitney E. Zahnd, PhD, University of Iowa - *Metropolitan/ Non-Metropolitan Differences of the Impact of COVID-19 on Cancer Survivors' Care: A SEER-HINTS Analysis*
- **Presentation 3:** Kristin Maki, PhD, Wayne State University School of Medicine - *Factors Associated with Lung Cancer Screening Discussions among Cancer Survivors and Health Professionals: A Cross-Sectional Analysis of HINTS Data*
- **Presentation 4:** Christopher Wheldon, PhD, Temple University - *Social Isolation among Cancer Survivors: Prevalence, Symptoms, and the Role of Marital Status*

03:00-03:30 PM

Break

Bringing Health Communication Data to Life

2023 HINTS DATA USERS CONFERENCE

NIH Main Campus, Bethesda, MD | Building 45 (Natcher) | Ruth L. Kirschstein Auditorium

AGENDA

Thursday, September 21, 2023 (continued)

03:30-04:30 PM

Data Blitz: Rapid Fire HINTS Research Results

- **Moderator:** Heather D'Angelo, PhD, National Cancer Institute
- **Presentation 1:** Aisha T. Langford, PhD, NYU Grossman School of Medicine - *Beliefs about the role of lifestyle factors on developing cancer, health-related, and sociodemographic correlates of noticing calorie information on restaurant menus*
- **Presentation 2:** Kristin E. Schrader, MA, University of Tennessee - *Differences in Trust of Information Sources by Rurality*
- **Presentation 3:** Abigail Muro, BS, National Cancer Institute - *Trust in Health Information Sources and Climate Change Harm Perceptions: Results from the National Cancer Institute's Health Information National Trends Survey (HINTS), 2022*
- **Presentation 4:** Katerina Andreadis, MS, NYU Grossman School of Medicine - *Assessing Patients' Understanding of Health Information in Online Medical Records and Patient Portals*
- **Presentation 5:** Lijian Xiao, PhD, Wright State University - *A Decision-tree Analysis of Access to the Internet and Health Information Technology to Predict Confidence in Finding Online Health Resources*
- **Presentation 6:** Tracy Onega, PhD, Huntsman Cancer Institute/University of Utah - *Inter-generational Differences in Health Information, Digital Technology Use and Cancer Beliefs among Latina Women in the U.S. Based on the Health Information National Trends Survey (HINTS)*
- **Presentation 7:** Kang Namkoong, PhD, University of Maryland - *The Purpose Driven Life: The Role of Perceived Meaning and Purpose in Life in the Relationships among Social Isolation, Social Media Usage, and Psychological Well-being*
- **Presentation 8:** Juan R. Albertorio-Diaz, MA, National Center for Health Statistics - *Is Loneliness related to Information, Beliefs, and Behaviors about Health? – Analysis of HINTS-6*

04:30-05:30 PM

Poster Session + Networking

Bringing Health Communication Data to Life

2023 HINTS DATA USERS CONFERENCE

NIH Main Campus, Bethesda, MD | Building 45 (Natcher) | Ruth L. Kirschstein Auditorium

AGENDA

Friday, September 22, 2023

Please plan to arrive 30 minutes early to ensure sufficient time to complete NIH campus security processes.
Note that a government-issued photo ID will be required for entry.

08:30-09:45 AM

Optional Tutorial Session [Room A/B and E1/E2]

note: the tutorial is not being offered virtually

- Richard Moser, PhD, National Cancer Institute
- Maria Rincon, PhD, National Cancer Institute
- Heather D'Angelo, PhD, National Cancer Institute
- David Cantor, PhD, Westat
- Andrew Caporaso, MS, Westat

10:00-10:10 AM

Welcome/Opening Remarks

- Robin Vanderpool, DrPH, National Cancer Institute

10:10-10:30 AM

HINTS Program Updates & New Data Collection Efforts

- Kelly Blake, ScD, National Cancer Institute
- Richard Moser, PhD, National Cancer Institute

10:30-11:00 AM

HINTS Experiments and Initiatives to Maximize Data Quality

- **Moderator:** Richard Moser, PhD, National Cancer Institute
- **Presentation 1:** Andrew Caporaso, MS, Westat - *HINTS 6 Methods Experiments – How do Methods Impact Your Findings?*
- **Presentation 2:** Andrew Seidenberg, PhD, Truth Initiative - *Preferred Reporting Items for Complex Sample Survey Analysis (PRICSSA)*

11:00-12:00 PM

Oral Presentation Session #3: Measures, Methods, and Data Linkages

- **Moderator:** Maria Rincon, PhD, National Cancer Institute
- **Presentation 1:** Marc T. Kiviniemi, PhD, University of Kentucky - *The Power of Saying “I Don’t Know”: Inclusion vs Exclusion of Don’t Know Response Options Affect Question Answering Behavior and Estimates of Population Parameters*
- **Presentation 2:** Kaiyi Wen, MA, Binghamton University - *The Effect of Noise Pollution on Mental Health*
- **Presentation 3:** Ashley B. Murray, PhD, RTI International - *Self-Report Versus SEER-Linked Cancer Diagnosis Information: A Comparison Using Health Information National Trends Survey (HINTS) SEER Cancer Registry Data*
- **Presentation 4:** Celeste Campos-Castillo, PhD, Michigan State University - *Accounting for Survey Design Differences in the Health Information National Trends Survey: An Analysis of Changes in Ethnoracial Variation in Trust 2005-2019*

Bringing Health Communication Data to Life

2023 **HINTS** DATA USERS CONFERENCE

NIH Main Campus, Bethesda, MD | Building 45 (Natcher) | Ruth L. Kirschstein Auditorium

AGENDA

Friday, September 22, 2023 (continued)

12:00-01:00 PM

Lunch

01:00-02:00 PM

Oral Presentation Session #4: Social Media and Health

- **Moderator:** Wen-Ying Sylvia Chou, PhD, National Cancer Institute
- **Presentation 1:** Ming (Bryan) Wang, PhD, University of Nebraska-Lincoln - *Social Media Experiences Moderate the Effects of Vaping Frequency on Perceived E-cigarette Harm*
- **Presentation 2:** Anna Gaysynsky, MPH, National Cancer Institute/ICF Next - *Perceptions of Health Misinformation on Social Media: Prevalence, Predictors, and Associated Health Communication Behaviors*
- **Presentation 3:** Yonaira M. Rivera, PhD, Rutgers University School of Communication & Information - *Engagement with and utilization of health information on social media among U.S. Latinos – HINTS 6 (2022)*
- **Presentation 4:** Prathyusha Galinkala, BE, Michigan State University - *Age Variation among U.S. Adults in Beliefs about Who is Responsible for Reducing Health-Related Falsehoods on Social Media*

02:00-03:00 PM

Oral Presentation Session #5: Disparities and Clinical Outcomes

- **Moderator:** Marlene Camacho-Rivera, ScD, SUNY Downstate
- **Presentation 1:** Adaeze Aroh, DrPH, Slippery Rock University - *Examining the Role of Social Determinants of Health on Adherence to Cervical Cancer Screening Guidelines for US Women Aged 21-64 Years: Evidence from the 2022 Health Information National Trends Survey (HINTS)*
- **Presentation 2:** Jeremy Martinez, MPH, Harvard Medical School - *English Proficiency as a Sociodemographic Predictor of Undergoing Routine Skin Checks*
- **Presentation 3:** Mark A Fiala, PhD, Washington University School of Medicine - *Discrimination, Medical Mistrust, and Delaying Needed Care*

03:00-03:30 PM

Announcement of Trainee Awards & Closing Remarks

- Kelly Blake, ScD, National Cancer Institute

03:30 PM

Meeting Adjourned
